

## **University of Pennsylvania School of Nursing**

TO: Nursing Students anticipating purchase of Stethoscope  
FROM: Angela Iorianni-Cimbak  
DATE: 23 April 2009  
RE: Recommendations

At this time many of you will likely purchase a stethoscope for academic and professional fieldwork experiences. Listed below are recommendations. If you have additional questions and are enrolled in the Masters Program, please contact your program director for guidance regarding this purchase.

Undergraduate Students: Littman Classic II SE

### Masters Programs

- ACNP                      Littman Master Cardiology
- Adult Oncology      Littman Cardiology III
