A photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned low on the horizon, partially obscured by the dark silhouettes of trees. The sky is filled with soft, wispy clouds, and the overall color palette is dominated by warm oranges, yellows, and greys. The trees in the foreground are dark and detailed, with their branches reaching upwards. The text 'Malawi 2009: Nkhoma' is overlaid on the image, enclosed in a white rectangular box with a thin black border.
