

**BUSINESS ADDRESS**

University of Pennsylvania – School of Nursing  
224 Claire Fagin Hall  
418 Curie Blvd  
Philadelphia, PA 19104-6096  
215-898-2259  
215-573-9193 (fax)  
lipman@nursing.upenn.edu

**HOME ADDRESS**

446 Rockland Avenue  
Merion, PA 19066  
610-667-6411

**EDUCATION**

CRNP	1993	Pediatric Acute/Chronic Nurse Practitioner Post Masters Program University of Pennsylvania, School of Nursing Philadelphia, PA
PhD	1991	Pediatric Nursing University of Pennsylvania, School of Nursing Philadelphia, PA
MSN	1983	Clinical Nurse Specialist - Nursing of Children University of Pennsylvania, School of Nursing Philadelphia, PA
BSN	1975	Temple University College of Allied Health Professionals Philadelphia, PA Magna Cum Laude

**ACADEMIC POSITIONS AND APPOINTMENTS**

2018 – Present	Senior Fellow Leonard Davis Institute University of Pennsylvania Philadelphia, PA
2016 – Present	Adjunct Professor Rory Meyers College of Nursing- NYU New York, NY
2016 – Present	Professor of Pediatric Nursing Department of Pediatrics Perelman School of Medicine Philadelphia, PA

2016 – 2017	Interim Program Director Pediatric Acute Care Nurse Practitioner Program University of Pennsylvania, School of Nursing Philadelphia, PA
2015 – Present	Visiting Scholar New York University, School of Nursing New York, NY
2015 – Present	Senior Fellow Center for Public Health Initiatives University of Pennsylvania, School of Medicine Philadelphia, PA
2015 – Present	Assistant Dean for Community Engagement University of Pennsylvania, School of Nursing Philadelphia, PA
2014 – 2015	Interim Assistant Dean for Community Engagement University of Pennsylvania, School of Nursing Philadelphia, PA
2013 – 2017	Associate Program Director Pediatric Acute Care Nurse Practitioner Program University of Pennsylvania, School of Nursing Philadelphia, PA
2010	Visiting Fellow Yale University, School of Nursing New Haven, CT
2008 – Present	Professor of Nursing of Children Division of Family and Community Health University of Pennsylvania, School of Nursing Philadelphia, PA
2008 – 2013	Program Director Nursing of Children Acute/ Chronic and Oncology Nurse Practitioner Programs
2007 – 2015	Associated Faculty Graduate Program in Public Health Studies University of Pennsylvania, School of Medicine Philadelphia, PA
2005 – 2006	Visiting Professor University of Pittsburgh, School of Nursing Pittsburgh, PA

2000 – 2008	Associate Professor of Nursing of Children Division of Family and Community Health University of Pennsylvania, School of Nursing Philadelphia, PA
1995 – 2000	Assistant Professor of Pediatric Nursing Nursing of Children Division University of Pennsylvania, School of Nursing Philadelphia, PA
1992 – 1994	Adjunct Assistant Professor of Nursing Nursing of Children Division University of Pennsylvania, School of Nursing Philadelphia, PA
1989 – 1992	Lecturer Nursing of Children Division University of Pennsylvania, School of Nursing Philadelphia, PA
1988 (January – May)	Adjunct Clinical Instructor Pediatric Oncology Nurse Practitioner Program Widener University Chester, PA
1988 (January – July)	Clinical Preceptor University of Pennsylvania, School of Nursing Philadelphia, PA

**CLINICAL POSITIONS AND APPOINTMENTS**

1999 – Present	Pediatric Nurse Practitioner Division of Endocrinology and Diabetes Children’s Hospital of Philadelphia Philadelphia, PA
1997 – 2000	Medical Staff St. Christopher’s Hospital for Children Philadelphia, PA
1983 – 1998	Advanced Practice Nurse Section of Diabetes/Endocrinology St. Christopher’s Hospital for Children Philadelphia, PA

1976 – 1982                      Staff Nurse, Emergency Room  
Renal & Diabetes Ambulatory Services  
St. Christopher’s Hospital for Children  
Philadelphia, PA

1975 – 1976                      Staff Nurse, Neonatal Intensive Care Unit  
St. Christopher’s Hospital for Children  
Philadelphia, PA

**CERTIFICATION/LICENSURE**

License #: Pennsylvania RN-297131-L  
Pennsylvania CRNP TP-002271-N  
Pediatric Nurse Practitioner-American Nurses Credentialing Center – 1995

**HONORS AND AWARDS**

- 2019                      2019 Article of the Year- Engaging with the Community to Promote Physical Activity in Urban Neighborhoods. (J. Deatrck lead author)- American Journal of Health Promotion-
- 2019                      2019 Gallery of Success Alumni Award- College of Public Health- Temple University
- 2019                      Provost-Netter Center Faculty-Community Partnership Award
- 2017                      Honored Alumni – Temple University Nursing: 50 years of Baccalaureate Nursing
- 2017                      Outstanding Alumni Award- Penn Nursing Alumni Association
- 2017                      Excellence in Advanced Practice Award- Pediatric Endocrinology Nursing Society
- 2014                      Elected to the Society for Pediatric Research
- 2014                      Philadelphia High School for Girls Hall of Fame- in the Court of Honor of Distinguished Daughters
- 2014                      Dean’s Award for MS/MSN Scholarly Mentorship
- 2012                      Norma M. Lang Distinguished Award for Scholarly Practice and Policy
- 2011                      Dean’s Award for Undergraduate Scholarly Mentorship
- 2011                      Carolyn J. Langstadter Mentorship Award- Children’s Hospital of Philadelphia
- 2011                      Barbara J. Lowery Doctoral Student Organization Faculty Award
- 2010                      Spirit of Nursing Award- University of Massachusetts Boston, College of Nursing and Allied Health Sciences

2010 PhD Mentored Research Award

2009 Miriam Stirl Endowed Term Professor of Nursing

2009 Distinguished Fellow- Netter Center for Community Partnerships

2009 Undergraduate Mentored Research Award

2008 Edge Runner- American Academy of Nursing

2008 Bronze Telly Award - Pediatric History Taking: On the Path to Clinical Decision Making- Telly Awards, New York, NY

2008 Dean's Award for Undergraduate Scholarly Mentorship

2007 The Lillian Sholtis Brunner Award for Innovative Practice in Nursing- Alumni Association, University of Pennsylvania School of Nursing

2005 2004-2005 Excellence in Nursing Research Award- Society of Pediatric Nurses

2003 Endocrine Society Best Abstract Award – Endocrine Nurses Society

2002 Lindback Award for Distinguished Teaching

2001 Endocrine Society Best Abstract Award – Endocrine Nurses Society

2000 Fellow of the American Academy of Nursing

1999 Alumni of the Year, Temple University College of Allied Health Professions

1996 Best Research Abstract Award, Society of Pediatric Nurses

1994 1993 Excellence in Clinical Practice Award, Society of Pediatric Nurses

1993 Best Abstract Award - National Cooperative Growth Study Meeting

1993 Who's Who in American Nursing

1991 Marion R. Gregory Dissertation Proposal Award, University of Pennsylvania

1990 Wyeth-Ayerst Laboratories Scholar

1988 Opportunity Scholarship for Doctoral Study, University of Pennsylvania

1988 Editor's Citation as Best Illustrated Article in Dimensions of Critical Care Nursing in 1987

1985 Nursing Honor Society of Temple University

1983 Sigma Theta Tau, National Honor Society

1983 Dean's Award, University of Pennsylvania

1982 Mead Johnson Award for Graduate Education

1982 Nurses' Educational Fund Scholarship

1982 Leadership Identification Scholarship, University of Pennsylvania

1975 Magna Cum Laude, Temple University

1975 Presidential Scholar, Temple University

1972, 1973 Alpha Lambda Delta Honor Society, Temple University

## **RESEARCH**

### **Doctoral Dissertation**

The epidemiology of Type I diabetes in children 0-14 years of age in Philadelphia, Dissertation Abstracts AAT 9125709, Health Sciences, Nursing (059); Health Sciences, Public Health (0573); Biology, Biostatistics (0308), 1991.

### **Funded Research**

(7/1/20- 6/30/25) Penn+PLUS Clinical Research Center  
U01 DK106892-06  
Co-Investigator (15% effort)- PI D. Newman  
NIH- NIDDK- \$3,599,252

(7/1/20- 6/30/20) Enhancing children's readiness for school: Using goals of community parents  
Principal Investigator  
CEAR Core and Center for Public Health Initiatives- \$19,360

(1/1/20- 12/31/20) Impact of Community Health Workers in High Risk Pediatric Patients with Newly Diagnosed Type 1 Diabetes  
Principal Investigator  
Leonard Davis Institute of Health Economics- \$20,000

(8/1/19- 7/30/21) Building Evidence-Based Data Models for Philadelphia to Enhance Child, Family and Community School Readiness  
Co-Investigator - PI V. Gadsden  
University Research Foundation \$198,000

- (5/1/19- 4/30/20) Racial Disparities in the Use of Technology in Children with Type 1 Diabetes: Focus on Parents' Perspectives  
Principal investigator-  
Pediatric Endocrinology Nursing Society- \$15,000
- (4/1/18- 3/31/19) Integrating Community Health Workers into the Care of Children with Type 1 Diabetes  
Co-Principal Investigator (10% effort) with C. Hawkes  
Office of Nursing Research, University of Pennsylvania,  
School of Nursing- \$10,000
- (7/1/17- 6/30/19) Community Health Worker (CHW) Initiative: Enhanced Care Management for Complex Patients  
Co-Principal Investigator (10% effort) with C. Hawkes  
Chair's Initiative- Children's Hospital of Philadelphia- \$186,834
- (7/1/17- 6/30/18) The Impact of Change in Neighborhood Poverty on BMI Percentile  
Co-investigator- PI K. Schroeder  
Pediatric Endocrinology Nursing Society- \$15,000
- (7/1/17- 6/30/18) Dance for Health: Active Body, Active Mind  
Co-investigator- PI T. Hailu  
2017 Bach Fund Award – Penn Presbyterian Medical Center- \$3000
- (1/1/17- 12/31/17) Dance for Health: Active Body, Active Mind  
Co-investigator- PI T. Hailu  
Penn Medicine CARES grant- \$5000
- (9/1/16- 8/30/17) Dance, Social Networks, and Behavior  
Principal Investigator  
Center for Public Health Initiatives-  
Community Driven Research Day funding- \$5000
- (1/1/16- 12/31/16) Participatory Action Research to Evaluate the Impact of a University/Community Health and Fitness Partnership  
Principal Investigator  
PAR Grant- Netter Center for Community Partnerships- \$5000
- (7/10/15- 5/31/18) Community/Academic Partnership to Increase Activity in Youth and their Families  
(R13HD085960-01)  
(Principal Investigator)  
NIH-NICHD- \$90,000
- (8/1/13-7/31/14) Technology-enabled Type 1 Diabetes Education and Support (T1DES) system  
(R41 DK097932-01)  
(Principal Investigator- 15% effort)  
NIH-NIDDK- \$249,923

- (7/1/13- 12/31/16) MyDiaText: Feasibility of a Text Messaging System for Youth with Type 1 Diabetes  
(Principal Investigator)  
CTSA- Community Engagement and Research (CEAR) Core- \$10,000
- (7/1/11-6/30/13) Increasing activity in community: Dance for Health  
(Principal Investigator)  
University of Pennsylvania Center for Public Health Initiatives- \$20,000
- (3/1/11-2/28/13) Treatment Options for Type 2 Diabetes in Adolescents and Youth: Post Intervention Protocol  
(U01-DK061239)  
(Co-investigator- 5% effort); L. Katz, PI  
NIH-NIDDK- \$1,336,425
- (12/1/10- 11/30/12) Examining the relationship between vitamin D status and glycemic control children and adolescents with type 1 diabetes mellitus: Role of inflammatory mediators.  
(Co- investigator) S. Sawah PI  
Pediatric Endocrinology Nursing Society- \$15,000
- (9/15/09-6/30/13) Overcoming Disparities in Growth Evaluations  
(RO1- HD57037-01A2)  
(Co-investigator-10% effort); A. Grimberg, PI.  
NIH-NICHD- \$1,453,000
- (6/1/08-5/31/10) Twenty Five year Retrospective of the Clinician Educator (CE) Role at the University of Pennsylvania School of Nursing  
(co-Investigator; J. Barnsteiner PI)- \$25,027  
School of Nursing Investment for the Future Funds and the Office of Practice & Community Affairs- \$25,027
- (6/1/08- 5/31/10) Food insecurity, material hardship, and health in diverse populations  
(Principal Investigator)  
School of Nursing Investment for the Future Funds and the Office of Practice & Community Affairs - \$25,000
- (4/1/07- 3/31/09) Abdominal adiposity as a predictor of metabolic and cardiovascular risk factors in children and adolescents-  
(Principal Investigator- pilot)-\$16,709  
NIH-NINR - Penn Center for Nursing Outcomes Research  
P30-NR-005043 (PI- L. Aiken) - \$319,832
- (9/1/06- 8/31/08) Reducing Health Disparities in Children with Diabetes: Developing Effective Strategies Guided by our Patients' and Families' Wisdom-  
(Principal Investigator-pilot) \$15,750  
NIH-NINR -Hampton-Penn Center to Reduce Health Disparities  
P20 NR008361 (PI- L. Jemmott) - \$155,070

- (8/1/04-7/31/06) Evaluation of Linear Measurement in an Inpatient Pediatric Setting  
(Principal Investigator)  
Pediatric Endocrinology Nursing Society- \$10,000
- (3/1/03-2/28/06) Prevention of Pediatric Type 2 Diabetes  
(U01-DK61230-02 STOPP-T2D)  
(Co- investigator- 15% effort) G. Foster-PI  
NIH-NIDDK \$496,222
- (9/1/03-8/31/06) Racial Disparities in the Epidemiology of Type 2 Diabetes in Philadelphia and Virginia-  
(Principal Investigator-pilot) \$15,650  
NIH-NINR -Hampton-Penn Center to Reduce Health Disparities  
P20 NR008361 (PI- L. Jemmott) - \$155,070
- (7/1/02-6/30/06) Evaluation of the Accuracy of Height Assessment of Pre Menopausal and Menopausal Women-  
(co-Principal Investigator) A. McGinley- PI.  
Frank Morgan Jones Fund- Hartford Center for Geriatric Nursing Excellence - \$5,000
- (6/1/02-5/31/03) Assessment of Growth and Endocrine Function in Children who are HIV Infected or Exposed (Principal Investigator)  
Sigma Theta Tau, \$1000.
- (9/1/01- 8/31/10) Treatment Options for Type 2 Diabetes in Adolescents and Youth (TODAY)  
(U01-DK61239 STOPP-T2D) (Co-investigator-10% effort); L. Katz, PI.  
NIH-NIDDK- \$5,605,000
- (1999 – 2001) The Effect of Hypoglycemia on Development in Children with Congenital Hyperinsulinism (Co-Investigator) L. Steinkrauss (Principal Investigator)  
Pediatric Endocrinology Nursing Society, \$10,000.
- (1999 – 2000) Assessment of Growth and Endocrine Function in Children who are HIV Infected or Exposed (Principal Investigator)  
Pediatric Endocrinology Nursing Society, \$10,000.
- (1998– 2001) A Multicenter Study to Evaluate Growth Monitoring in Primary Care Practices  
(Co-Principal Investigator with Karen Hench)  
Genentech Foundation for Growth and Development, \$260,006.
- (1995 – 1996) Epidemiology of Type I Diabetes in Children in Philadelphia from 1990-1995  
(Principal Investigator)  
Pediatric Endocrinology Nursing Society, \$4,990.

- (1995 – 1996) Assessment of Growth and Immunologic Status in Children who are HIV-Infected (Principal Investigator)  
Center for the Advancing Care in Serious Illness, University of Pennsylvania, \$9,892.
- (1993 – 1994) Assessment of Risk Factors for Cardiovascular Disease in Children with Insulin Dependent Diabetes Mellitus (Principal Investigator)  
Sigma Theta Tau, Xi Chapter, \$1,950.
- (1993 – 1994) Assessment of Risk Factors for Cardiovascular Disease in Children with Insulin Dependent Diabetes Mellitus (Principal Investigator)  
Pediatric Endocrinology Nursing Society, \$5,000.
- (1992 – 1994) Evaluation of Hypothalamic – Pituitary Function in Children with Meningo myelocoele and Growth Hormone Deficiency (Co-Investigator) I. Rezvani (Principal Investigator) Genentech, Inc., \$5,000.
- (1991 – 1992) Assessment of Hypothalamic/Pituitary Function in Short Children with Orofacial Clefting (Principal Investigator) Genentech, Inc., \$5,000.
- (1990 – 1991) Epidemiology of Type I Diabetes in Children 0-14 Years Old in Philadelphia (Principal Investigator) American Nurses' Foundation, \$2,600.
- (1989 - 1990) Study of Pituitary Function in Short Children: Identification of Children with Non-Classic Growth Hormone Deficiency (Co-Investigator) I. Rezvani (Principal Investigator) Eli Lilly and Co., \$23,790.
- (1989 - 1990) Evaluation of Urinary Growth Hormone as a Diagnostic Tool in Short Children with Non-Classic Growth Hormone Deficiency (Co-Investigator) I. Rezvani (Principal Investigator) Genentech, Inc., \$15,000.
- (1989 – 1993) Children's Responses to the Stress of a Chronic Illness (Co-Investigator) M. Grey (Principal Investigator)  
NIH-NINR, \$349,000.
- (1988 – 1994) Humatrope and Low-Dose Estrogen Therapy in Turner Syndrome – A Multicenter Study (Co-Investigator) I. Rezvani (Principal Investigator)  
Eli Lilly & Co., \$15,000.

### **Program Grants**

- (7/1/03-6/30/04) Strategic Recruitment of Under Represented Minorities in Nursing (Co- Principal Investigator with: R. Watts)  
The Diversity Fund, University of Pennsylvania, \$9,000.
- (7/1/03-6/30/04) Decreasing Health Disparities: Strategies to Conduct Culturally Competent Research (Principal Investigator)  
University Research Foundation - University of Pennsylvania, \$2500.

- (3/1/05- 2/28/06) Bridging the Cultural Canyon: Strategies to Reduce Health Disparities in American Indians - (Principal Investigator)  
Novo Nordisk, \$15,750.
- (3/1/05- 2/28/06) Bridging the Cultural Canyon: Strategies to Reduce Health Disparities in American Indians - (Principal Investigator)  
LifeScan Inc, \$5,000.
- (6/1/05- 5/31/06) Bridging the Cultural Canyon: Strategies to Reduce Health Inequities for American Indians - (Principal Investigator)  
(R13- DK071454-01)  
NIH- NIDDK- \$13,800.
- (6/1/05- 5/31/06) Growth Assessment in the Community: A Partnership between Nurse Practitioner and High School Students (Principal Investigator)  
Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.
- (6/1/06- 5/31/07) Growth Assessment in the Community II: A Partnership between Nurse Practitioner and High School Students (Principal Investigator)  
Center for Community Partnerships Course Development Grant - University of Pennsylvania, \$4,000.
- (9/30/02- 6/30/07) Hampton-Penn Center to Reduce Health Disparities  
NIH/NINR - P20 NR008361 (Jemmott, L.S.) \$169,244  
Director Mentoring Core - 10% effort
- (9/1/06- 8/31/07) Establishing the Pipeline – Penn Health Science Summer Scholars (Principal Investigator) The Diversity Fund- University of Pennsylvania, \$5000.
- (8/1/06- 7/31/07) Design and Production of a DVD/Video Program to Guide Pediatric Clinical Decision Making (Principal Investigator)  
Educational Initiatives Award- University of Pennsylvania, School of Nursing  
\$24,000
- (6/1/07- 5/31/08) Assessment of Diabetes Risk Factors in the Community: A Partnership between Nurse Practitioner and High School Students (Principal Investigator)  
Center for Community Partnerships Course Development Grant - University of Pennsylvania, \$4,000.
- (6/1/08- 5/31/09) An Intervention to Decrease Diabetes Risk Factors in the Community: A Partnership between Nurse Practitioner and High School Students (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.

- (7/1/09 - 6/31/10) Endocrine Pipeline: An Independent Study exploring the course development and pilot implementation of endocrinology curriculum at Sayre High School (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.
- (6/1/10- 5/31/11) Decreasing Diabetes Risk Factors in the Community through a Partnership between Nurse Practitioner and High School Students: Dance for health, (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.
- (7/1/11-6/30/12) Increasing activity in children in the community: Dance for Health (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.
- (7/1/12-6/30/13) Increasing activity in the community: Dance for Health (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$4,000.
- (7/1/13-6/30/14) Increasing activity in the community: Dance for Health (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$5,000.
- (7/1/14-6/30/15) An Inter-professional Course in Advanced Leadership Skills in Community Health (co-I, H. Klusaritz- PI)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$5,000.
- (7/1/14-6/30/15) Increasing activity in the community: Dance for Health (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$5,000.
- (6/1/16- 5/30/17) Penn Inter-Professional Forum to Address Social Determinants of Health (co-Principal Investigator with J. Gluch)  
Provost's Excellence through Diversity Fund  
University of Pennsylvania, \$6,500
- (1/1/17- 6/30/19) Case Study- Addressing the Social Determinants of Health: Community Engagement Immersion (Principal Investigator)  
Netter Center for Community Partnerships Course Development Grant- University of Pennsylvania, \$5,000.

- (3/1/17 – 2/28/18) Developing a Conference: Action Plan to Increase Activity in Youth and their Families  
University Research Foundation  
University of Pennsylvania, \$3000
- (3/1/18-2/28/19) Developing a Curriculum for Health Professionals Guided by Social Determinants of Health and Community Engagement  
Year of Innovation Grant- Office of Academic Initiatives  
University of Pennsylvania, \$500

### **Planning Grant**

- (1997-1998) Improving Growth Monitoring Among Pediatric Primary Care Providers (Co-Investigator) K. Hench (Principal Investigator)  
Genentech Foundation for Growth and Development, \$5,000.

2018 – present	Health Equity Taskforce Community Engagement Committee

## **STUDENT/FELLOW MENTORED AWARDS**

2018	Jennifer Morone, National Institute of Nursing Research F31 -Social determinants of health and self-management of Type 1 diabetes in black single-parent families (F31NR018097-01A1)
2018.	Jennifer Morone- Heilbrunn Family Center for Research Nursing- Social determinants of health and self-management of Type 1 diabetes in black single-parent families
2018	Sando Ojukwu, MD- NIH- NIDDK- T32 Minority Supplement - Pediatric Endocrine Fellowship Training in Diabetes and Endocrine Research (T32 DK063688-1- Dr. Lorraine Katz, PI) The Impact of Community Health Workers in the Care of Children Newly Diagnosed with Type 1 Diabetes

- 2017 Tara Kaushal, MD- NIH- NIDDK- T32 Minority Supplement - Pediatric Endocrine Fellowship Training in Diabetes and Endocrine Research (T32 DK063688-1- Dr. Lorraine Katz, PI) MyDiaText: Texting the way to better diabetes control- An Intervention Study
- 2017 Ian McCurry, Marcus Henderson- President's Engagement Prize- University of Pennsylvania- \$150,000- Homeless Health and Nursing
- 2015 Juan Lado, MD- NIH- NIDDK- T32 Minority Supplement - Pediatric Endocrine Fellowship Training in Diabetes and Endocrine Research (T32 DK063688-1- Dr. Lorraine Katz, PI) MyDiaText: Texting the way to better diabetes control.
- 2015 Jodi Feinberg- President's Engagement Prize- University of Pennsylvania- \$150,000 Home, Heart, Health: Engaging the Community in Bridging the Gap
- 2015 Susan Malone- Marion R. Gregory Dissertation Proposal Award – University of Pennsylvania School of Nursing
- 2014-2015 Susan Malone- University of Pennsylvania School of Nursing, Office of Nursing Research. \$5000 Does chronotype modify the relationship between sleep duration and body mass index in adolescents?
- 2014 Susan Malone- Ruth L. Kirschstein National Research Service Award (1F31NR014603-01A1) \$85,352
- 2014 Susan Malone- Rockefeller University Heilbrunn Nurse Scholar Award \$20,676
- 2013-2014 Susan Malone- Robert Wood Johnson Foundation Health and Society Scholars Program at Penn Effects of chronotype on sleep duration and body composition variables \$12,835
- 2013-2104 Susan Malone- University of Pennsylvania School of Nursing Bio-behavioral Research Center Grant Does chronotype modify the relationship between sleep duration and body mass index in adolescents? \$5000
- 2013-2104 Susan Malone. National Association of School Nurses Does chronotype modify the relationship between sleep duration and body mass index in adolescents? \$3800
- 2013 Julia Golden, Mariesa Buhl-1st Prize Research Poster Award- 29<sup>th</sup> Annual Pediatric Nursing Conference
- 2012 Stephanie Ng- 1st Prize Research Poster Award- 28<sup>th</sup> Annual Pediatric Nursing Conference
- 2011 Carrie Preston -3<sup>rd</sup> Prize Research Poster Award- 27<sup>th</sup> Annual Pediatric Nursing Conference
- 2011 Magdeline Diaz- Undergraduate Mentored Research Award

- 2011 Sarah Sawah --Rising Star of Scholarship and Research- Sigma Theta Tau - representing the University of Pennsylvania
- 2011 Sarah Sawah -Eastern Nursing Research Society/Council for the Advancement of Nursing Science Dissertation Award
- 2010 Sarah Sawah- Doctoral Mentored Research Award
- 2009 Pediatric Acute Chronic / Pediatric Oncology Nurse Practitioner Students Mayoral Proclamation for Outstanding Community Service
- 2009 Pediatric Acute Chronic/ Pediatric Oncology Nurse Practitioner Students Citations from City Council of Philadelphia for Outstanding Community Service
- 2009 Jennifer Hicks- Undergraduate Mentored Research Award
- 2008 Rachel Corbin- 2<sup>nd</sup> prize- Outstanding Student Poster Award- Eastern Nursing Research Society
- 2008 Rachel Corbin- Mary Naylor Research Award
- 2008 Amy Seymour- Nan Hilt Writer's Award- Best article 2007 - Orthopedic Nursing
- 2008 Rebecca Hogan-1<sup>st</sup> Prize Research Poster- Award- 24<sup>th</sup> Annual Pediatric Nursing Conference
- 2007 Jessica Savage- (Temple University)- Outstanding Community Service in Public Health (Capstone experience- Center for Community Partnerships- Sayre High School/ Penn NP collaborative growth assessment program)
- 2007 Rachel Corbin- 1<sup>st</sup> prize- Research Poster Award - 23<sup>rd</sup> Annual Pediatric Nursing Conference
- 2007 Rachel Corbin- STEP-UP- Summer Research Fellowship- Office of Minority Health Research- NIH- NIDDK
- 2007 Kristin Gustafson- Mary Naylor Research Award
- 2007 Jennifer Spencer- Diane Fochtmann Best New Author Award- Journal of Pediatric Oncology Nursing
- 2007 Rachel Corbin- 2<sup>nd</sup> Prize- Outstanding Platform Presentation- Office of Minority Health Research and NIDDK Summer Internship
- 2006 Basia Adams- 1<sup>st</sup> prize- Research Poster Award- 22<sup>nd</sup> Annual Pediatric Nursing Conference

- 2006 Amanda Beattie- 3<sup>rd</sup> prize- Clinical Poster Award- 22<sup>nd</sup> Annual Pediatric Nursing Conference
- 2006 Kristin Gustafson- Vagelos Undergraduate Research Grant
- 2003 Joyce Minakami- Undergraduate Student Mentored Research Award- Wyeth Scholars Fund Award

**DISSERTATION COMMITTEES – UNIVERSITY OF PENNSYLVANIA**

- Member, Jaimsetta Newland---2002  
Factors influencing in a pediatric setting: Middle and late adolescents with sickle cell disease
- Member, Mary Hughes---2002  
Infant excessive crying: the role of temperament development and parenting stress
- Chair, Louise Ash---2002  
Assessment of viral load and growth in children who are HIV-infected
- Member, Matthew McHugh---2003  
Risk of readiness for change in the early post-discharge recovery outcomes of female adolescents with anorexia nervosa
- Member- Desiree Fleck --- 2010  
Self-care in emerging adults (ages 18-25) with congenital heart disease
- Member- Ashley Darcy --- 2010  
Exploring the impact of the home environment as a moderator in school performance outcomes of low-birth-weight survivors: A social-epidemiologic perspective
- Chair- Sarah Sawah --- 2011  
A cross-sectional study of vitamin D, glycemic control, and inflammatory cytokines in children and adolescents with type 1 diabetes mellitus
- Member- Barbara Beacham --- 2013  
Children with Chronic Health Conditions: Perceptions of Family Condition Management
- Chair- Susan Malone --- 2015  
Does chronotype modify the relationship between sleep duration and body mass index in adolescents?
- Post Doctoral mentor- Krista Schroeder--- 2016-2018  
The impact of change in neighborhood poverty on BMI percentile-
- Chair- Ellen McCabe --- 2019  
Factors Associated with School Nurses' Self-Efficacy in Provision of Asthma Care and Performance of Asthma Management Behaviors: A Descriptive Cross-Sectional Study.
- Member- Mary DeCicco- Graduate School of Education- 2020  
Beyond the talent show: Exploring the Beliefs of Special Education Teachers on the Incorporation of Dance to Support the needs of Students
- Chair- Jennifer Morone --- June 2020-  
Social determinants of health and self-management of Type 1 diabetes in black single-parent families

## **DISSERTATION COMMITTEES – OTHER UNIVERSITIES**

University of Texas- Arlington, PhD Nursing

Member- Carol Howe---2014

Parent Health Literacy and Communication with Diabetes Educators in a Pediatric Diabetes  
Clinic: A Mixed Methods Approach

Drexel University, PhD Clinical Psychology

Member, Jessica Markowitz---2007

Eating disorders in adolescent females with diabetes
