

Board Membership:

All Penn Nursing alumni are eligible for a two-year, renewable term on the Board. Meeting four times during the academic year, the Board includes leadership positions, young alumni and student representatives, and general board of directors.

Our goal is to connect alumni with each other, students, the School of Nursing and the University through events, programs, communications, and various outreach initiatives.

Members grow their leadership skills, build their network with Penn faculty, administrators, and alumni, and give back to support the next generation.

Board members are expected to:

- Make an annual gift to Penn Nursing's Annual Fund (at any level)
- Attend Board meetings, 3-4 times per year. Meetings are typically held Wednesday nights, 5:30-7:30pm.
- Attend key alumni events, including Homecoming (Oct/Nov) and Alumni Weekend (May)
- Promote the work of Penn Nursing Alumni and event involvement with classmates.
- Actively participate in one of the Board Committees.

Committee Membership:

Committee participation is open to all alumni, renewable on an annual basis. Members work with Board members to further alumni involvement and connection.

Committees meet bimonthly, with the option to dial in by phone. Work is also accomplished using email and phone calls between meetings. Most members report dedicating 1-3 hours per month (Sept.-May) in active participation.
