

Diane L. Spatz, PhD, RN-BC, FAAN
The Helen M. Shearer Professor of Nutrition

Contact Information:

University of Pennsylvania
School of Nursing
418 Curie Boulevard
Philadelphia, PA 19104-4217

Telephone: (215) 898-8100

Electronic Mail: spatz@nursing.upenn.edu

Home Address:

527 South 27th Street
Philadelphia, PA 19146-1012
Cell Phone: (215) 498-8498

EDUCATION

1995: Doctor of Philosophy

University of Pennsylvania
Philadelphia, PA

1989: Master of Science in Nursing

Major: Perinatal Nursing
School of Nursing

University of Pennsylvania
Philadelphia, PA

1986: Bachelor of Science in Nursing

School of Nursing

University of Pennsylvania
Philadelphia, PA

PROFESSIONAL EXPERIENCE

Other Appointments

2022- Present

National Academies of Science Taskforce in
response to Congressional Task Force on Research
Specific to Pregnant Women and Lactating Women

2019 – Present

World Health Organization Task Force on
Human Milk and Milk Banking Globally

2017 – 2021

Congressional Task Force on Research
Specific to Pregnant Women and Lactating Women

Academic Positions

2022 (Spring Semester)

Visiting Professor
University of South Florida College of Nursing

2013

Frances A. Matsuda Visiting Scholar
University of Hawaii at Manoa Nursing

PROFESSIONAL EXPERIENCE (continued)

2012 - Present	Professor of Perinatal Nursing University of Pennsylvania School of Nursing Philadelphia, PA
2007	Visiting Professor-Curtin University of Technology Perth, Western Australia
2007	Visiting Professor and Research Associate The University of Western Australia Perth, Western Australia
2004-2011	Associate Professor of Health Care of Women and Childbearing Nursing University of Pennsylvania School of Nursing Philadelphia, PA
1995-2004	Assistant Professor of Health Care of Women and Childbearing Nursing University of Pennsylvania School of Nursing Philadelphia, PA
1989-1991	Instructor Thomas Jefferson University Department of Nursing Philadelphia, PA

Clinical and Administrative Positions

2019-Present	Nurse Scientist-The Center for Pediatric Nursing Research & Evidence Based Practice Children's Hospital of Philadelphia (CHOP)
2019-Present	Final Reviewer/Approver for Donors CHOP Mothers' Milk Bank
2015-2019	Founder & Clinical Coordinator CHOP Mothers' Milk Bank
2010-2019	Nurse Scientist-Lactation Children's Hospital of Philadelphia
2000-2010	Clinical Nurse Specialist-Lactation Children's Hospital of Philadelphia

PROFESSIONAL EXPERIENCE (continued)

1995-2000	Perinatal Advance Practice Nurse Thomas Jefferson University Hospital Breastfeeding Services for LBW Infants RO1-NR-03881
1992-1995	Clinical Nurse Specialist-Research Nurse Home Care-High Risk Pregnant Women: Outcome and Cost (Research Project) RO1-NR-02897 (D. Brooten, PI) University of Pennsylvania, Philadelphia, PA
1989-2000 (Part-time and Per Diem)	Staff Nurse-Antepartal Unit Pennsylvania Hospital, Philadelphia, PA
1986-1989	Staff Nurse-Postpartum, antepartum, newborn/transitional nurseries Pennsylvania Hospital, Philadelphia, PA

CERTIFICATION/LICENSURE

Registered Nurse-Pennsylvania Licensure
1986 to present

Board Certified Perinatal Nurse
American Nurses Credentialing Center
1989 to present

HONORS AND AWARDS

Dean's Award for Undergraduate Scholarly Mentorship	2021
Student Nurses of Pennsylvania Faculty Advisor of the Year	2020
Nurse of the Year-Philadelphia Inquirer	2019
AWHONN Award of Excellence in Research	2019
Lifetime Achievement Award National Association of Neonatal Nurses	2016
Edge Runner-The American Academy of Nursing	2015

HONORS AND AWARDS (continued)

Norma M. Lang Award Distinguished Award for Scholarly Practice & Policy	2013
Helen M. Shearer Term Chair in Nutrition	2006–Present
Student Nurses of Pennsylvania Honorary Member SNAP’s highest honor	2011
Helen Berkowitz Award (Three-time recipient) Phi Sigma Sigma Sorority Sponsored by the Philadelphia Alumnae Chapter for service to community, profession and sorority	2011, 1997 & 1991
Pottsgrove High School Honor Roll Distinguished Alumni Honor	2011
Expert Alumni Award for Clinical Excellence University of Pennsylvania School of Nursing	2011
Academic Practice Award Family and Community Health Department School of Nursing	2011
Leader of Leaders Award National Student Nurses Association	2011
Dean’s Award for Exemplary Professional Practice University of Pennsylvania	2010
Faculty Advisor of the Year Student Nurses Association of Pennsylvania	2008
Maternal Child Health Leadership Academy Sigma Theta Tau International and Johnson & Johnson-Mentor	2008–2009
Temple University Greek Association Advisor of the Year 2008-2009	2009
Lenore Williams Award For contributions to women Association of Penn Professional Women & The Penn Women’s Center	2008

HONORS AND AWARDS (continued)

Sigma Theta Tau International Research Utilization Award	2007
Fellow in the American Academy of Nursing	2007
Faculty Advisor of the Year Student Nurses Association of Pennsylvania	2005
Nursing Leadership Award Children's Hospital of Philadelphia	2005
Who's Who Among America's Teachers	2005
Service Award Phi Sigma Sigma {for greater than 10 years service}	2004
Order of the Sapphire Award Phi Sigma Sigma Awarded based on skills, achievement, perspective, perpetuity, honor, influence, responsiveness, and experience	2003
Philadelphia Area Alumnae Panhellenic Outstanding Women of the Year	2003
Faculty Teaching Award University of Pennsylvania School of Nursing	2002
Faculty Advisor of the Year Student Nurses Association of Pennsylvania	2001
The Lindback Award for Distinguished Teaching	2001
The Pyramid Award: Phi Sigma Sigma Sorority's Highest Honor	2001
Rho Lambda Honor Society	2001
Who's Who Among America's Teachers	2000
National Sisterhood Award Phi Sigma Sigma Sorority Awarded by the national organization for service {above and beyond the scope of one's volunteer duties}	2000

HONORS AND AWARDS (continued)

Distinguished Lecturer-Sigma Theta Tau International	1999
Outstanding Alumnae Chapter President Phi Sigma Sigma Sorority Awarded by the national organization {for outstanding leadership at the local level in community service, undergraduate support and collegiate development}	1999
Outstanding Alumna Advisor Phi Sigma Sigma Sorority Awarded by the national organization {for significant mentoring to collegiate women}	1999
Undergraduate Advisor Award University of Pennsylvania School of Nursing	1999
Faculty Teaching Award University of Pennsylvania School of Nursing	1998
Order of Omega An honor society for Greek scholars	1996
Outstanding Active Alumna Phi Sigma Sigma Sorority Awarded by the national organization {for significant professional and community achievements, as well as service to the sorority}	1995
Nursing Excellence Award Philadelphia County Pennsylvania Nurses Association	1995
Chapter Key Advisor Award Phi Sigma Sigma Sorority Awarded by the national organization for significant mentorship of an undergraduate chapter of the sorority	1993
Sigma Theta Tau	1989
Philadelphia Perinatal Society	1989
Mortar Board National Honor Society	1986

RESEARCH

Doctoral Dissertation: Spatz, D. L. (1995). Classification of advanced practice nurse functions using the taxonomy of transitional follow-up care. *Dissertation Abstracts International*, 56(08), 4245B. (UMI Number 9543147)
Supervisor: Dorothy Brooten

Funded Research (*Principal Investigator)

Nutrition Practices for Neonates in the Pediatric Intensive Care Unit (PICU)

Spatz, D.L. & Irving, S.Y.

***Co-Investigator**

Funded: Sigma Theta Ta-Xi Chapter
\$3,000 (2023-present)

Bereaved mothers' experiences in donating milk to HMBANA Milk Banks

Paraszczyk, A., Candelaria, L., Hylton-McGuire, K., & Spatz, D.L.

***Co-Investigator & Senior Mentor**

Funded: Molloy College Faculty Research Grant
\$2,025 (2020-2022)

Extending an eHealth enhanced care approach: Development of nurse-guided patient engagement content to support human milk feeding of infants with complex congenital heart disease

McKechnie, A. & Elgersma, K.

Consultant & Content Expert

Funded: University of Minnesota Office of Discovery and Translation
UL1TR002494- National Institutes of Health-
National Center for Advancing Translational Sciences
\$50,000 (2019-present)

An exploration of the use of technology (Angel Eyes camera system) as part of the NICU mother's lactation journey

Spatz, D.L., Froh, E.B. & Candelaria, L.

***Principal Investigator**

Funded: Sigma Theta Ta-Xi Chapter
\$1,000 (2019-present)

Adaptation of a Breastfeeding Support Model for Neonatal Units for an African Middle-Income Setting-Botswana

Arcscott-Mills, T, Mogotsi, T.V., Lowenthal, E. & Spatz, D.L.

***Co-Investigator & Senior Mentor**

Funded: CHOP Global Health Grant
\$1,000 (2018-present)

RESEARCH (continued)

Effects of complimenting breast pumping with automated breast compression, on the quality and quantity of milk expression.

Spatz, D.L. & Froh, E.B.

***Principal Investigator**

Funded: University of Pennsylvania School of Nursing
\$8,250 (2018-present)

Penn Center for Excellence in Pain Education

Farrar, J., Palomano, R. Spatz, D.L.

***Co-Investigator and Content Expert**

Funded Sponsor: NIH Pain Consortium
09/01/15 to 08/30/2020

Informal Milk Sharing in the Orthodox Jewish Community

Candelaria, L., Spatz, D., Bressler, T.

Co-Investigator

Funded: Nursing Research
Molloy College Faculty Research Grant
\$1780 (2018-2020)

Breastfeeding Experiences of Same Sex Mothers

Spatz, D.L. & Juntereal, N.A.

***Principal Investigator**

Funded: University of Pennsylvania School of Nursing
\$2,580 (2018-2020)

Improving knowledge regarding drug exposure in pregnancy and lactation

Običan, S. G., Louis-Jacques, A., Hernandez, I., & Spatz, D. L.

Co-Investigator

Funded: OTIS HRSA
Reproductive Environmental Health Network
\$6,830 (2016-2020)

The Lived Experience of the Human Milk Donor

Candelaria, L., Spatz, D., Aprigliano, A. & Borga, J.

Co-Investigator

Funded: Nursing Research
Molloy College Doctoral Support Grant
\$2,000 (2016-2017)

Mothers Voices: The Lived Experience of the HMBANA Milk Donor

Candelaria, L., Spatz, D., Aprigliano, A. & Borga, J.

Co-Investigator

Funded: Nursing Research
Medela, Inc.: Doctoral Research Scholar Grant
\$2,100 (2016-2017)

RESEARCH (continued)

The Experience of the Human Milk Donor: A Case Series

Candelaria, L., Spatz, D., Aprigliano, A. & Borga, J.

Co-Investigator

Funded: Nursing Research
Molloy College Summer Research Grant
\$2,150 (2015)

The Lived Experience of the Human Milk Donor

Candelaria, L., Spatz, D., Aprigliano, A. & Borga, J.

Co-Investigator

Funded: Nursing Research
Molloy College Research & Scholarship Grant
\$2,100 (2014-2015)

An Exploration and Understanding of the Breastfeeding Resource Nurse Role and Program at The Children's Hospital of Philadelphia

Spatz, D. L., Barton, S., Roth, R. & Froh, E.B.

***Principal Investigator**

Funded: Nursing Research
The Children's Hospital of Philadelphia
\$3,000 (2013-2015)

Impact of an Employee Lactation Program on Breastfeeding Initiation and Duration

Spatz, D. L. & Kim, G.

***Principal Investigator**

Funded: FULD Four Program
\$3,000 (2012-2013)

The Role of Human Milk and Breastfeeding in the Cardiac Intensive Care Unit

Torowicz, D., Spatz, D. L., Seelhorst, A. & Zhao

Co-Principal Investigator

Funded: National Association of Pediatric Nurse
Practitioners
\$2,445 (2011-2012)
Nursing Research
The Children's Hospital of Philadelphia

Twenty-five-Year Retrospective of the Clinician Educator (CE) Role at the University of Pennsylvania School of Nursing

Barnsteiner, J., Stringer, M., Spatz, D. L., Lynaugh, J.

Co-Investigator

Funded: University of Pennsylvania School of Nursing
\$25,000 (2010 to 2015)

RESEARCH (continued)

Mothers' beliefs and experiences regarding breastfeeding in public urban areas

Spatz, D. L., Cricco-Lizza, R. & Repetto, C.

Co-Principal Investigator

Funded: Penn Institute for Urban Research (O)
\$2,000 (2007)

The use of human milk and outcomes of infants with congenital surgical anomalies

Spatz, D. L., Lorch, S., Miesnik, S. & Gatti, L. R.

***Principal Investigator**

Funded: The Center for Nursing Outcomes Research (PP)
University of Pennsylvania
\$10,000 (2006-2007)

Breastfeeding promotion at primary care Market Street

Spatz, D. L.

***Principal Investigator**

Funded: Pennsylvania Department of Health (TG)
\$5,900 (2006-2008)

A retrospective review of feeding outcomes of infants with congenital surgical anomalies

Spatz, D. L.

***Principal Investigator**

Funded: Division of Neonatal Nursing Grant (O)
\$5,000 (2005-2006)

A retrospective review of infants readmitted with early breastfeeding difficulties

Spatz, D.L. & Goldschmidt, K.A.

***Principal Investigator**

Funded: Division of Neonatology Departmental Grant (O)
\$2,500 (2005-2006)

NICU mother's experiences using a silicone nipple shield for breastfeeding their preterm infants

Frisk, B. & Spatz, D. L.

***Co-Principal Investigator and Faculty Mentor**

Funded: Sigma Theta Tau-Xi Chapter (PG)
\$1,000 (2005-2006)

Breastfeeding promotion at primary care in University City

Spatz, D. L.

***Principal Investigator**

Funded: The Pennsylvania Department of Health (TG)
\$3,000 (2005-2006)

RESEARCH (continued)

Infant feeding beliefs and experiences of NICU nurses

Cricco-Lizza, R. & Spatz, D. L. (Co-I)

Co-Investigator and Faculty Mentor

Funded: Sigma Theta Tau-Xi Chapter (PG)
\$1,000 (2004-2005)

Support for low income breastfeeding-Outcomes and cost

Pugh, L. C., Milligan, R., Frick, K. & Spatz, D. L.

Sub-contract with Johns Hopkins University (PI for Penn)

Co-investigator and educator for the nurses and peer counselors

Funded: National Institute of Nursing Research (R01)
RO1-NR-007675-01A1 - \$2.1 million (3/1/03-
4/10/07)

An innovative program for breastfeeding education and training

Spatz, D. L., Ludwig, S., Pereira, G., Gordin, M. & Friedman, S.

***Principal Investigator**

Funded: The Foerderer Foundation (PG)
\$70,000 (7/1/02 – 6/30/05)

Influencing nutrition of African American adolescent mothers and their infants by using the maternal child nutrition support team

Spatz, D. L., Ford, E., Brown, L. P. & McKinney, S.

***Principal Investigator**

Funded: University Research Foundation (PG)
University of Pennsylvania
\$20,000 (3/01 – 3/04)

Nurse intervention for low income breastfeeding women

Pugh, L. C., Milligan, R. A., Frick, K., Bronner, Y. L., Spatz, D. L. & Brown, L. P.

Co-Investigator and educator for the nurse interventionists and peer counselors

Funded: National Institute of Nursing Research (PP)
Shannon Award- \$100,000 (1998-2000)

Mom and me do BSE: Mothers and daughters together for breast health promotion

Spatz, D. L.

***Principal Investigator**

Funded: The Breast Health Institute - \$13,424 (PG)
In collaboration with Pennsylvania Hospital,
Philadelphia, PA (1998-2002)

Breastfeeding services for LBW infants-Outcomes and cost-Minority supplement

Brown, L. P., Meier, P., Spitzer, A., Finkler, S., Jacobsen, B., Spatz, D. L. & Deatrick, J.

Co-investigator

Funded: National Institute of Nursing Research (PP)
RO1-NR-03881 - \$167,694 (1996 – 2000)

RESEARCH (continued)

Breastfeeding services for LBW infants—Outcomes and cost

Brown, L. P., Meier, P., Spitzer, A., Finkler, S., Jacobsen, B. & Spatz, D. L.

Co-investigator and nurse interventionist

Funded: National Institute of Nursing Research **(R01)**
RO1-NR-03881 - \$3,184,155 (1995 – 2000)

Nurse home care—High risk pregnant women: Outcome and cost

Brooten, D., Brown, L. P., Cohen, A., Munro, B., Finkler, S. & Armstrong, C.

Nurse interventionist

Funded: National Institute of Nursing Research **(R01)**
RO1-NR-02897 - \$1,862,500 (1991-1996)

Factors affecting milk volume in mothers of VLBW infants

Brown, L. P., Hollingsworth, A. O., Armstrong, C. & Spatz, D. L.

Co-investigator and clinical nurse specialist/research assistant

Funded: Nutrition Center CHOP - \$5,000 (1990–1991) **(PG)**
International Sigma Theta Tau- \$2,994 (1990-1991)

Funded Program Grants

The program for North American mobility in higher education

Spatz, D. L., Brown L. P., Stringer, M. & McCauley, K.

Sub-contract with the University of New Mexico College of Nursing

***Principal Investigator**

Funded: FIPSE **(TG)**
\$100,000 (9/00-8/04)

Cultural competence education for faculty and clinical teachers

Watts, R. & Spatz, D. L.

***Co-Principal Investigator**

Funded: The Diversity Fund **(TG)**
University of Pennsylvania
\$16,300 (2000-2001)

Other Grants

Skin to skin transfer of the ventilated infant-DVD production

Departmental Grant- Division of Neonatology **(PG)**

Funded: \$5,000 (2005)

RESEARCH (continued)

Funded Research with Undergraduate Students

Lactation Experiences Of African American Mothers Who Breastfeed Beyond One Year

Acquaye, S. (2020 to present)

Funded: \$3,500
Office of Nursing Research
University of Pennsylvania School of Nursing

Incidence of postpartum depression in mothers of infants admitted to a neonatal intensive care unit and the relationship to breastfeeding

Hitti, N. (2005-2006)

Faculty Advisor–Spatz, D.L.

Funded: \$1,000 Holz Award (PG)

Mom and me do BSE: Mothers and daughters together for breast health promotion.

Beerley, M. (2000-2002)

Faculty Advisor–Spatz, D. L.

Funded: 21st Century Scholars-Wyeth Ayerst Grant (PG)
\$3,750 Student Award
\$1,250 Faculty Award

Qualitative analysis of African American adolescent females' knowledge and use of emergency contraceptive pills.

Chertow, E. & Olsen, C. (1999-2001)

Faculty Advisor– Spatz, D. L.

Funded: Nassau Fund* \$400 (PG)

*University of Pennsylvania undergraduate research fund

A qualitative analysis to describe breastfeeding practices of mothers of LBW infants.

Reed, K. (1998-2001)

Faculty Advisor– Spatz, D. L.

Funded: Nassau Fund* \$500 (PG)

*University of Pennsylvania undergraduate research fund

Breastfeeding duration and influencing factors.

Cromar, M. & Fisher, M. (1997-1999)

Faculty Advisor–Spatz, D. L.

Funded: Effect Fund* \$500 (PG)

*University of Pennsylvania undergraduate research fund

RESEARCH (continued)

Cultural aspects of breastfeeding among Puerto Rican women.

Hernandez, I.G. (1996-1997)

Faculty Advisor–Spatz, D. L.

Funded: Nassau Fund* \$720 (PG)

Effect Fund* \$500 (PG)

*University of Pennsylvania undergraduate research fund

Non-Funded Research Protocols

Exploring the Role of Medical Assistants in Breastfeeding Support at Children’s Hospital of Philadelphia Primary Care Centers

Conover, N. & Spatz, D.L. (2023 to present)

Exploring Student Nurses’ Association of Pennsylvania (SNAP) Members’ Experiences in Student Nurse Associations (SNAs)

Spatz, D.L. & Palmer, J. (2023 to present)

Determining Factors Most Associated with the Development of Early Childhood Caries in Children Breastfed Beyond 1 Year of Age

Penta, A, & Spatz, D.L. (2022 to present)

An Exploration of HMBANA Milk Banks support of Breastfeeding

Spatz, D.L. & Kostiuk, O. (2020-present)

Initiation of Lactation following Cesarean Delivery

Froh, E.B & Spatz, D.L. (2018-2021)

City Legislation for Employee Breastfeeding Mothers

Spatz, D.L. & Froh, E.B. (2017-2018)

Optimization of Human Skim Milk for Infants with Chylothorax

Spatz, D.L., Berry, H. & Froh, E.B. (2014-2016)

The Use of Donor Milk at a Children’s Hospital

Spatz, D.L. & Froh, E.B. (2014-2016)

Islam and Breastfeeding Practices among African-American Muslims in West Philadelphia

Kamoun, C. & Spatz, D.L. (2015-2017)

An Evaluation of Child Care Centers for Breastfeeding Supportiveness

Spatz, D.L., Garth, E., & Messner, A. (2015-2016)

RESEARCH (continued)

An Evaluation of University Lactation Support for Students

Spatz, D.L. & Welsh, M. (2015-2016)

An Evaluation of Lactation Accommodations in Convention Centers

Spatz, D.L. & Koo, K. (2015-2016)

PEER REVIEWED PUBLICATIONS

INTERNATIONAL PRESENTATIONS

A Call to Action: Improving Human Milk & Breastfeeding Outcomes by Prioritizing Effective Initiation of Lactation

Perinatal Society of Australia and New Zealand Annual Conference
Melbourne, Australia
March 7, 2023 (Invited Speaker)

The Spatz 10 Steps to Improve Human Milk and Breastfeeding Outcomes

Barwon Health
Maternity Service
Geelong, Australia
March 8, 2023 (Invited Speaker)

The Spatz 10 Steps to Improve Human Milk and Breastfeeding Outcomes

Monash Children's Hospital
Melbourne, Australia
March 8, 2023 (Invited Speaker)

INTERNATIONAL PRESENTATIONS (continued)

Helping Families Make Informed Feeding Decisions & Effective Initiation of Lactation

Medela Headquarters Australia
Melbourne, Australia
March 9, 2023 (Invited Speaker)

Proactive Management to Ensure Effective Initiation

South Australia Health
Melbourne, Australia
March 9, 2023 (Invited Speaker)

The Impact of Prenatal Intervention to Improve Human Milk and Breastfeeding Outcomes

Royal Children's Hospital of Melbourne
Melbourne, Australia
March 10, 2023 (Invited Speaker)

Elgersma, K. M., Wolfson, J., Fulkerson, J. A., Georgieff, M. K., Spatz, D. L., Shah, K. M., Uzark, K., McKechnie, A. C. (2023, August 27–September 1). Human milk feeding and direct breastfeeding improve outcomes for infants with single ventricle congenital heart disease: Propensity score matched analysis of the NPC-QIC registry. [Accepted abstract]. 8th World Congress of Pediatric Cardiology and Cardiac Surgery, Washington, DC, United States.

Implementation of the Spatz 20 Step Model to Improve Human Milk Outcomes

Hospital Infantil de México Federico Gómez
International Webinar - Mexico City, Mexico
November 30th, 2022 (Keynote Speaker)

LGBTQ Chest Feeding and Considerations

Alliance of Global Neonatal Nurses
Honolulu, HI
October 20th, 2022 (Invited Speaker)

Elgersma KM, Spatz DL, Fulkerson JA, Wolfson, J, Shah, KM, Uzark, K, McKechnie, AC. Early breastfeeding is associated with increased odds of later human milk feeding for infants with single ventricle congenital heart disease: Analysis of the NPC-QIC registry. Poster presented at: International Society for Research in Human Milk and Lactation Conference 2022; October 22, 2022; Panama City, Panama.

Elgersma KM, Spatz DL, Fulkerson JA, Wolfson, J, Shah, KM, Uzark, K, McKechnie, AC. Early breastfeeding is associated with increased odds of later human milk feeding for infants with single ventricle congenital heart disease: Analysis of the NPC-QIC registry. Poster presented at: Pediatric Cardiac Intensive Care Society Annual International Meeting; December 16, 2022; Miami, FL.
