

INTERNAL TRANSFER / DUAL DEGREE APPLICATION

For COL, SEAS, WH students interested in Nursing

Students whose curricular interests have changed after they have matriculated into one of the other full-time undergraduate programs at Penn may apply for internal transfer to or a dual degree with the School of Nursing. Students considering internal transfer must meet with an academic advisor in the School of Nursing, Office of Academic Affairs to discuss their academic interests and to develop a plan for completing a Nursing degree.

The School of Nursing Internal Transfer / Dual Degree (IT/DD) Admissions Committee looks for indications of future success in Nursing by reviewing students' academic records from Penn. The Committee considers all, but not limited to, the following criteria:

- Demonstrated interest in nursing
- Completion of at least 8 course units at Penn
- Competitive GPA (typically at least a 3.0 cumulative GPA)
- Emphasis on grades in science courses
- **NURS/WH NHCM Coordinated Dual Degree Applicants Only:** Nursing students must complete ECON 0100, ECON 0200, and MATH 1400 to apply for the program. Wharton students must complete the required nursing chemistry and cell biology requirements. Student are only eligible to apply for the NHCM Dual Degree program the spring before the Fall of their 2nd year.

Normally applications are not considered after a student's fourth semester at Penn. All applicants are expected to be in good academic standing at the time of application, have no incomplete course work, and have no outstanding cases pending before the Office of Student Conduct.

External transfers admitted to any of Penn's undergraduate schools or divisions are **not eligible** to transfer again within the University.
